2/28 Meeting Features Four Way Test Speech Contest

Sunrise's 2/28 meeting included the annual Four Way Test Speech Contest. This year we had two contestants, both juniors from Jenks High School.

Jill Jamallidine, the first speaker explored the Four Way Test with an emphasis on how it applies in a teen-ager's life.

She pointed out that building good will and better friendships is a long-term concern that extends into the future beyond the current situation.

She also stressed that the goal of being beneficial to all concerned extends beyond fairness.

Our second speaker, **Jinan El Sabbagh**, belongs to the Jenks Debate Team. She spoke about the Four Way Test from the standpoint of a teacher working to instill Four Way Test principles into students during teaching situations.

Both speakers gave very good presentations that made for a successful and rewarding contest.
